**IX. Communications From The Floor:**

**X. Adjournment & End Time:**

## **Background**

Amendment to the number of committee seats that SGA members are responsible for attending. This number would be reduced to one committee (from the original two), as stated in the 2015 Public Service Fellowship Pilot program, and would clearly enforce participation in one Participatory Governance Committee and one internal SGA committee.

### Purpose

The Public Service Fellowship (PSF) Program has the dual purpose of:

- i) Providing an improved leadership development and training program for students interested in public service and advocacy.
- ii) Offering an incentive in the form of a Fellowship stipend for Student Government Assembly (SGA) officers and other non-SGA students sitting on participatory governance committees.

### Expected Outcomes

The program should:

- Expand leadership opportunities to students who would otherwise be unable to get involved because of financial constraints.
- Increase the participation and retention of SGA officers who would otherwise need to leave the SGA when financial hardships arise.
- Increase accountability of SGA officers.
- Recognize the value of the SGA as a student leadership and public service training program.

### Eligibility for Compensation

To be eligible for compensation, students must:

- Be a current SGA officer at the time of compensation disbursement.
- Fulfill their duties as an SGA officer as defined in the Student Constitution and the SGA Bylaws.
- Be appointed to and serve on at least one Participatory Governance Committee (PGC), with an 80% attendance rate.
- Be a voting participatory member of at least one internal SGA committee, with an 80% attendance rate.
- Meet with at least one faculty/staff mentor related to SGA position and meet twice per semester with mentor.
- Attend at least 80% of SGA meetings during the academic year; a member may use a proxy for a maximum of 20% of the total meetings in an academic year.
- Confirm attendance of PGC.
- Participate in an SRJC campus tour prior to the first stipend disbursement.
- Attend all meetings of district hiring committees as agreed upon if appointed by SGA.
- Attend all official leadership retreats.
- Fulfill consistent weekly office hours (four hours per week minimum, two of which must be in a designated SGA office or related space).
- Internal SGA committee chairs must host at least six (6) times per semester for their appointed committee.
- Regularly post agendas and minutes for Committee Chairs with the help of their advisors.
- Communicate and explain to the SGA President and Certificated Advisor to the SGA of any conflicts with upholding SGA officer responsibilities.
- Submit an 'End-of-Year' report to a Certificated Advisor of SGA to be made available to incoming SGA officers.

### Disbursement

Officer Payment Tiers:

Associated Students President: \$2,000 per year (\$500 quarterly disbursements)

Student Trustee: \$2,000 per year (\$500 quarterly disbursements)

SGA Officers: \$1,600 per year (\$400 quarterly disbursements)

Non-SGA Officers who sit on PGCs: \$20 per meeting hour attended. With the arrangement that they give 2 reports per semester to the SGA about the committees that they sit on.

### Regulation

Failure to abide by the Student Constitution or SGA Bylaws, Codes, and Contracts can result in the forfeiture of SGA PSF

Public Service Fellowship stipends shall be determined by the SGA Student Life and Cultural Director, the SGA Vice President of Finance, and the Certificated Advisor (or designee) to the SGA. Their decision is final.

Students are only eligible to participate in the PSF program for a maximum of four (4) semesters. They may be in an elected student position for as long as the Constitution and Bylaws allow, but only receive stipends as part of the PSF program.

Students must also meet the minimum academic qualifications required by the California Ed Code, 76061. A
